EXECUTIVE ORDER 2021-057

SECOND AMENDED ORDER REQUIRING STATE EMPLOYEES TO COMPLY WITH CERTAIN PUBLIC HEALTH REQUIREMENTS

WHEREAS, on January 30, 2020, the World Health Organization announced the emergence of a novel Coronavirus Disease 2019 (“COVID-19”) that had not previously circulated in humans, but has been found to have adapted to humans such that it is contagious and easily spread from one person to another and one country to another;

WHEREAS, COVID-19 has been confirmed in New Mexico since March 11, 2020, when the New Mexico Department of Health confirmed the first cases of individuals infected with COVID-19 in New Mexico and additional cases have been confirmed each day since then;

WHEREAS, on March 11, 2020, because of the spread of COVID-19, I issued Executive Order 2020-004 declaring that a Public Health Emergency exists in New Mexico under the Public Health Emergency Response Act, and invoked my authority under the All Hazards Emergency Management Act;

WHEREAS, I have renewed the declaration of a Public Health Emergency through August 16, 2021;

WHEREAS, the currently available COVID-19 vaccines are a safe and effective way of preventing serious illness or death;

WHEREAS, the refusal to receive the COVID-19 vaccine not only endangers the individual but the entire community, and further jeopardizes the progress the State has made against the pandemic by allowing the virus to transmit more freely and mutate into more transmissible or deadly variants;

WHEREAS, one such highly-transmissible variant, B.1.617.2, commonly known as the Delta variant, now accounts for the majority of new infections;

WHEREAS, the State has recorded a significant increase in new COVID-19 cases in recent weeks, with cases expected to rise even further in the Fall and Winter months;

WHEREAS, the further spread of COVID-19 in the State of New Mexico poses a threat to the health, safety, and wellbeing of all New Mexicans;

WHEREAS, State employees who become ill cannot adequately perform their duties, which disrupts the orderly operation of State government; and

WHEREAS, regular testing, masks, and social-distancing remain some of the most effective ways to minimize the spread of COVID-19.

NOW, THEREFORE, I, Michelle Lujan Grisham, Governor of the State of New Mexico, by virtue of the authority vested in me by the Constitution, the All Hazards Emergency Management Act, and the laws of the State of New Mexico do hereby **ORDER** and **DIRECT** as follows:

1. State employees shall comply with the provisions regarding the use of masks contained in the operative Public Health Order issued by the Secretary of the Department of Health during the course and scope of their employment.

2. State employees who are not fully vaccinated against COVID-19, as defined by the Centers for Disease Control and Prevention, and willing and able to provide adequate proof of such vaccination shall:

A. Provide adequate proof that the employee has tested negative for COVID-19 on a weekly basis; and

B. Wear a mask or multilayer cloth face covering at all times during the course and scope of their employment except when eating or drinking or when the employee provides adequate proof that he or she has been instructed otherwise by a bona fide healthcare provider.

C. Any state employee who is not fully vaccinated and who tests positive for COVID-19 may return to work following the completion of any mandatory isolation period prescribed by the New Mexico Department of Health. A negative COVID-19 test result is not required to return to work, provided the employee completes the mandatory isolation period. All such employees who test positive for COVID-19 shall be exempt from the testing requirement in Paragraph 2(A) for a period of 90 days following the date of the employee's positive COVID-19 result.

3. Employees who refuse to abide by the above requirements may be subject to disciplinary action, up to and including termination, in accordance with applicable law.

4. State agencies shall ensure, consistent with law, that any documentation related to vaccination status, healthcare directives, or test results are not disclosed to individuals other than those necessary to ensure compliance with this Order.

5. The New Mexico State Personnel Office shall provide agencies with guidance on the full implementation and administration this Order.

I FURTHER ORDER and DIRECT as follows:

1. This Order supersedes any previous orders, proclamations, policies, or directives to the extent they are in conflict.

2. This Order shall take effect on October 15, 2021, and shall remain in effect until renewed, modified, or rescinded.

ATTEST:

MAGGIE TOULOUSE OLIVER
